DECISION AWARDING DAMAGES¹

On October 16, 2019, Erica McNamara filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of a tetanus-diphtheria-acellular pertussis (“Tdap”) vaccine that was administered to her on June 9, 2018. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On June 3, 2021, a ruling on entitlement was issued, finding Petitioner entitled to compensation for SIRVA. On August 16, 2021, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$63,378.28 (consisting of \$62,500.00 for past pain and suffering and \$878.28 for past unreimbursed expenses).

Proffer at 1-2. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$63,378.28 (consisting of \$62,500.00 for past pain and suffering and \$878.28 for past unreimbursed expenses) in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
